

THE AUTHORS GUILD

Words, Ideas, and Thinkers

About WIT: The Authors Guild *Words, Ideas, and Thinkers* Festival

In September 2022, the Authors Guild Foundation (AGF) launched an ideas festival in Lenox, Massachusetts, the heart of the Berkshires, and we are excited to return for our second annual festival September 21-23. This year's festival will explore the theme of *Changing the Narrative* through conversations featuring authors and other thought leaders. WIT means to expand our understanding of critical issues, celebrate America's literary culture, and amplify new voices and perspectives. It is free and open to the public so everyone can participate in the dialogue without barriers. If you would like to support this effort, we would love to partner with you.
